

Human Scrabble

Presented by:
Kansas City Recruiting Battalion

Introduction

- Must find envelopes hidden within the room with scrabble letters in them
- Each team must come up with a word or combination of words (must connect if using multiple words)
- Team building event similar to those we present in our high schools as well as other presentations.

Instructions

- Each team member has 30 seconds to find an envelope with letters
- 90 Seconds for each category to form one word or word combination
- Each person represents one letter
- Can have multiple words, but they have to connect
- Points awarded based on letters used
- Winning team from each round is awarded 10 additional points
